

## LETTER OF INVITATION

Dear Colleague,

On behalf of the ICRT Organizing Committee and the World Association of Radiopharmaceutical and Molecular Therapy (WARMTH), it is with great pleasure that we sincerely invite you to attend the 14th International Conference on Radiopharmaceutical Therapy (ICRT), to be held in Nanjing from 21st August to 24th August, 2019. The ICRT 2019 will continue to provide an international platform for thought-provoking communication and information-sharing in novel and advanced radiopharmaceutical and molecular therapy, as well as promoting its clinical translation.
